

The Town provides curbside Yard and Garden Waste Collection Services, as well as leaf collection. Under Federal and State mandates, the Town is required to manage the volume and quality of stormwater that flows through our system. Routine property clean-up helps to ensure that stormwater flows freely into storm grates

without debris clogging the system plus it keeps your neighborhoods looking beautiful. In addition, OC-RRA accepts yard and garden trimmings as well as food waste at the Amboy location. For small amounts of waste, home composting bins are commercially available. Please do your part to keep water clean.

Yard Waste (April-October Only)
Area Collection Dates on Map
located in center pages

Do's:	
+	Collectible materials include ONLY the following: -Plant & shrub trimmings -Sticks, branches, limbs (less than 10' in length) -Plants & shrubs (No soil)
