

Town of DeWitt – Planning Board

Annual Awards Policy

Purpose:

It is the intent of the Planning Board to provide public recognition to those projects in the town that exemplify the quality of design and execution that have made DeWitt the town of choice.

Procedure:

1. The Planning Board shall determine on a periodic basis, but no more often than annually, those projects within the town that it wishes to present with an excellence award.
2. Any project that has been completed within the last three years can be offered to be considered by any member of the Planning Board. During the years 2001 and 2002, any project in the Town may be considered without regard to when it was completed.
3. It shall take a minimum of five affirmative votes of the Planning Board to make an award.
4. No more than three projects per year can receive an award.
5. The Planning Board shall prepare a certificate of recognition for presentation to the award winner at a regularly scheduled meeting of the Board with a copy being posted on the wall in meeting room B.
