

Think solar is too expensive and complicated?

Solarize Syracuse makes solar easier and more affordable than ever.

Join us at one of our free workshops to learn about how solar works and how you can save money putting solar on your home or business by joining with your neighbors in our bulk purchasing program. We'll also tell you about other ways to save money and save energy.

Solarize Simple Solarize Savings Solarize Syracuse

Solarize Syracuse is a grassroots community solar initiative for the City of Syracuse and the Towns of DeWitt, Manlius and Onondaga.

All workshops are free and open to the public. Refreshments served.

SOLARIZE SYRACUSE is organized by Alliance for a Green Economy, CNY Regional Planning and Development Board, Frack Action, Greening USA, New York Interfaith Power and Light, Peace Action CNY, and Syracuse Peace Council. Co-sponsored by Partnership for Onondaga Creek, Syracuse Community Choir, and People for Animal Rights.
