

Leaf Collection Guidelines

Unlike yard debris pick up, there is **NO SET SCHEDULE** for collecting leaves. Pick up starts in November and continues into December; **weather permitting**. Vacuums and loaders are used to collect the leaves.

When placing leaves for pick up:

- **DO** place leaves at the edge of your property, **NOT** on the pavement or in the gutters.
 - **DO NOT** mix sticks or other debris in the leaf piles, as these can cause damage to our equipment and/or employees. **Mixed piles will not be collected.**
 - **DO NOT** place leaves in cardboard boxes, paper bags or plastic bags. **Bagged and boxed leaves will not be collected.**
 - **DO NOT** place leaf piles behind obstacles such as trees, cars, mailboxes, hydrants, poles, etc.
 - For safety reasons, please **DO NOT** allow your children to play in piles of leaves by the road.
-
